

BEDROOM beautiful

Hand Made local furniture which will add an extra dimension to your bedroom...

The bedroom needs to be a room in the house which is both practical, allowing enough room for your storage needs, but also stylish, reflecting your personality and taste. A well designed and furnished bedroom can make a massive difference to the enjoyment of your home and can also be a real attraction for potential buyers if/when you decide to sell your house. There are numerous local companies that offer unique pieces of bedroom furniture to suite any style or taste and the following are a few prime examples of peices which will add an extra dimension to your bedroom:

This originally styled and named 'Horny Bed' was designed and manufactured in an elegant combination of Native Elm, Burr Elm and Cherry by Scott Woyka Furniture of Falmouth. As you can see from the picture above, the bed's strikingly elegant lines make a real focal point for any bedroom. Scott Woyka Furniture is based at a waterside workshop in Falmouth and they specialise in designing and producing custom made wood furniture. **01326 311777** or **07968 332092**.

This Cabin Bed is an ideal solution for those bedrooms where space is in short supply. The bed was custom made to the client's specification by So Kipling of Devoran and incorporates shelving space, draws, a cupboard and even a pull out desk. This peice is perfect for childrens' bedrooms where the space is used for far more than just sleeping. So Kipling are contactable on **01872 862059**

This hand basin unit, with set in porcelain sink, adds an instant en suite to any bedroom. Made from solid ash, at Phoenix Workshop in Camborne and measuring just 1m 20 cm wide, 75 cm high and 24cm deep. Offering shelving and drawer space, this unit provides space efficeint functionality for any bedroom. Phoenix Craft are a local company which produce a range of bespoke wooden furniture. **01029 715106**.
